

Target	Action	Person Responsible	Timeline
<p>1. We aim to maintain the amount of waste our school produces.</p>	<ol style="list-style-type: none"> 1. All lunch waste to go home in the brown paper bag. 2. No lunch waste or food waste in school at all. 3. Lunches for absent children to be sent to the staffroom. 4. Use both sides of paper before recycling it 	<p>All children</p> <p>All Staff</p> <p>Green Schools Committee</p>	<p>1 year</p>
<p>2 We will reduce the use of paper handtowels after handwashing by 50%.</p>	<ol style="list-style-type: none"> 5. Put hand dryers in all toilets that are not connected to a classroom 6. We will use only one hand towel after each handwash. 7. We will remove the bathroom bin so each hand towel goes into the small black waste bin in the classroom. 		

<p>3 We will work together to keep our school grounds tidy and free from litter.</p>	<p>8. Do weekly litter checks in the yard or class zones.</p> <p>9. Hold a monthly school clean-up with a different level each month, weather depending.</p> <p>10. Remind each other kindly to pick up litter when we see it.</p>	<p>All children</p> <p>All Staff</p> <p>Green Schools Committee</p> <p>Parents Association</p>	
<p>4 The school will reduce the use of photocopying paper by 30%</p>	<p>11. Speak to all staff members about the importance of reducing the use of paper.</p> <p>12. Monitor how often paper is being ordered.</p> <p>13. Make sure there is a box for recycling paper in the photocopying room.</p>
